TIMELINE

At Time of Registration

1. Please contact First Presbyterian Church at (956) 585-4829 to confirm date availability.
2. Complete the [TEAM REGISTRATION FORM 1](#).
3. Send a (non-refundable) deposit of \$10 for each team member.

Within 2 Weeks of FPCM Receiving Your Registration

You will receive a confirmation and 2nd packet from FPCM which will include [Team Registration Form 2](#) and [Release Forms](#).

As You Plan for Your Mission Trip

1. Complete and return Team Registration Form 2 and Release Forms – Once we share this information with the partner ministries you'll be serving with, you may receive additional information and/or forms directly from them.
2. Set up travel arrangements – Please remember that you will need to have your own transportation while serving with Mission in Mission. If you are flying to the Rio Grande Valley, the nearest airports are in McAllen (MFE) and Harlingen (HRL). Some groups choose to fly into San Antonio and drive to Mission (4 hours).
3. Fundraising – Some ideas to get you started will be included in the 2nd packet from FPCM.
4. Pre-Trip Team Meetings – Your chance for parent info meetings, team building activities, and discussions about expectations, details, dates, etc with your group as you prepare for your mission trip.

6 Weeks Before Your Team Arrives

1. If you have not yet completed and returned [Team Registration Form 2](#) and [Release Forms](#), those forms are now due back to FPCM.
2. If you have received additional information and/or forms from the partner ministries, please be sure to return any completed forms to them at this point.
3. Service project plans for your team will be based on the final numbers/info you've provided. The absolute latest that any changes to your group should be made is 3 weeks before your trip.
4. Make plans for your group's free time – There are a number of local things to do if you arrive in Mission before 3 pm on Saturday. Also, Wednesday will be a "free night" for your team. After packing up on Friday morning, many teams visit South Padre Island before heading home.

3 Weeks Before Your Team Arrives

1. If you have not sent your *final payment* of \$20 per person, it is now due.
2. Please contact us ASAP if there are any changes to your team after this point!
3. Again, thank you for choosing to serve in Mission along the Texas-Mexico border. We sure are getting excited about your group's arrival! See you soon,
